

Name _____

Look at the three online reference sources below.

Write the answer to each question.

1. Jill wants to know how to say the word *desert* and divide it into syllables. Which online reference should she check?

2. Dan wants facts about desert climates. Which online reference

should he check first? _____

3. Tina wants to find many sources of information about deserts.

Where should she look? _____

4. Which is the better place to learn what types of animals live in the desert—an online dictionary or an online encyclopedia? Why?

Home Activity Your child identified when to use different types of online reference sources. Discuss each type of reference source shown above. Ask your child to identify other desert-related topics of interest. Discuss which reference sources could be used to learn more about each topic.
